

Breakout room dan nama presentan

Breakout room	Nama author	Judul
1 Presentasi Oral	Annisa Iktiarani	Pseudocarpain and carpain of papaya (papaya carica) as anti-sars cov2 candidates through in-silico cd209l receptor inhibition
	Anggie Wiavela Tuzerina Nuraini	Inhibition of ace2 and dpp4 receptors by active compounds of papaya leaves (carica papaya) to prevent attachment of sars-cov2 to host cells
	Muhammad Faisal, S.Si., M.Sc	Virtual screening of qust al-hindi (saussurea costus roots) active compounds inhibiting sars-cov-2 proteins
	Nur Idayanti, SKM	Analysis of anti s-rbd sars-cov-2 igg post vaccinated inactive vaccine among infected and uninfected health care worker
	Debie Rizqoh, S.si., M.Biomed.	Clinical manifestation of covid-19 co-infection case in bengkulu city
	dr. Fathendra Arifqi Rushady	Several factors associated with mortality of covid-19 in hiv infected patients
2 Presentasi Oral	dr. Vitri widyaningsih, MS., Ph.D	Covid-19 stigma: are there differences by socio-demographics status?
	Uswatun Khasanah	The practice of using non-prescription drugs during the covid- 19 pandemic: study in cirebon, west java, indonesia
	dr. Dea Amarilisa Adespin, M.kes	Knowledge, attitude and behaviour toward covid-19 vaccination among factory workers in semarang city
	dr. Septo Pero Adinoto	Relationship between coping strategies to dass scores in nurses on service in the corona virus disease 2019 isolation room
	Albertus Budi Arianto	Emotional and behavioral response and coping strategies of nursing students during covid-19 epidemic: a longitudinal study
Faik Agiwahyunto,S.Kep., M.Kes	Patient claim financing at rsup dr. Kariadi semarang during the covid-19 pandemic	
3 Presentasi Oral	Reza Muhammad Nurdiana	The social media's duration of use increase students' anxiety levels in the covid-19 pandemic era
	Nur Setiawati Dewi, Ph.D , Sp.Kom	Smartphone usage among low vision and blind masseurs who have experienced sexual harassment
	Sarah Ulliya, S.Kp.,M.Kes	Relationship between spiritual intelligence of nurses and Implementation of nursing care
	Dr. Sri sumarni, M.Mid	Does exercise reduce pain, anxiety, and improve self esteem and serotonin level in premenstrual syndrome?.

	Sari Sudarmiati, S.Kep, M.Kep, Sp.Kep.Mat	The relationship between adolescent knowledge about exclusive breastfeeding and the intention breastfeeding
	dr. Aras utami, MPH, AAK	Iron folic acid supplementation and nutrition education intervention to increase hemoglobin level and knowledge among adolescent girls: study in semarang, indonesia
	dr. Dea Amarilisa Adespin, M.kes	Analysis of wifi tb implementation program in the primary clinics in semarang city
4 Presentasi Oral	Radiva Hasna Mazaya	Relationship between ultrasound of fetal parameter and growth of children at age 2 years
	dr. Hema Dewi Anggraheny, M.Kes	Risk factors of stunting in toddlers 24-59 months in the working area of the sedan health center, rembang regency
	Arwinda Nugraheni, SKM, M.Epid	The association between stunting and anemia status in children under 5 years (case study of mlonggo public health center, jepara regency)
	Natalia Arum Nareswari	Volume white matter hyperintensities lesion using magnetic resonance brainquantitative 3d cube flair associated with degreee cognitive impairment study with mini mental state examination (mmse)
	Dr. Yulia Rosa Rosida	Qualitative and quantitative parameters of dynamic contrast- enhanced (dce) mri as diagnostic determinant of soft tissue tumor malignancy
	Victor Christian	Metabolite ratio in magnetic resonance spectroscopy to diagnose electroencephalgram epileptogenic focus on mesial temporal lobe epilepsy patients a study using naa/(cho+cr), naa/cho, naa/cr, cho/cr ratio
5 Presentasi Oral	dra. Yoni Astuti, M.Kes., Ph.D	Effectivity of dose dependent manner of ethanol extract soursop leaves on e chaderin levels of widr cancer cells
	Adhika Bastian Bagus Prananta	Renoprotective effect of sambiloto (andrographis paniculata) leaf extract on lipopolysaccharide – induced septic rats
	Rezya Salsabela	Effect of sambiloto (andrographis paniculata) leaf extract on crp and serum ferittin of lipopolysaccharide-induced rattus norvegicus
	Alfiyani Nurzeha	The effect of sambiloto (andrographis paniculata) leaf extract on the neutrophil to lymphocyte ratio in lipopolysaccharideinduced rat
	Dr. Masfufatun, S.Si, M.Si	Clover honey as candida albicans antibiofilm on vulvovaginitis candidiasis isolates
	Dr. Fitria handayani, M.Kep., Sp.KMB	Predictors of quality of life in stroke survivor: study in Indonesia
6 Presentasi	Dr.dr. Kusbaryanto, Mkes, FISPH, FISCM	Immune response after covid 19 vaccination and herd immunity
	Mareta Isti Rosetya	Pneumothorax in covid-19 : a case series in tertiary hospital semarang

	dr. Enny Nugraheni, M.Biomed	Kinetics igm and igg sars-cov-2 in recovery patients with negative evaluation rt-pcr
	Nur Idayanti, SKM	Evaluation kipi after vaccinated with moderna covid19 mrna vaccine
	dr. Freddy Panjaitan	Factors associated with death among covid-19 patients in non-icu ward
7 Presentasi Poster	Dra. Ani Margawati. MKes, PhD	Correlation between anemia and anxiety among pregnant women during the covid- 19 pandemic
	Dr dr Made Kurnia Widiastuti Giri M.kes	Online learning in medical education during the coronavirus pandemic: students' perspective
	Ria astari Yudhasyah	Effectiveness of epidural steroid injection and annuloplasty for managing sciatica due to degenerative discs during the covid-19 era case report
	Dr. Nadia Aini Putri Panisutia	Fraction anisotropy (fa) and mean diffusivity (md) value using magnetic resonance diffusion tensor imaging (mr dti) as a predictor of malignancy in meningioma
	M. Ikhsan, S.Kep., NS	Swallowing exercise and compensate strategic technique among ischemic stroke survivor with dysphagia: literatur review
8 Presentasi Poster	dr. Erick Kristianto Adityatama	Prevalance of patent ductus arteriosus in premature neonates
	dr. Reni Pawestuti Ambari Sumanto, M.KM	Nutritional intake, parenting and environmental sanitation as factors to prevent stunting in the family
	Firmansyah Kholiq Pradana PH, SKM.	Evaluation of stunting management program in semarang city during the covid-19 pandemic
	Mita Erna	Comparison of fatty acid and cholesterol levels of red bean tempeh (<i>phaseolus vulgaris</i> l.), peanut tempeh (<i>arachis hypogaea</i> l.), and soybean tempeh (<i>glycine max</i>)
	Debie Rizqoh, S.si., M.Biomed.	Extraction of andaliman (<i>zanthoxylum acanthopodium</i> dc.) Endophytic bacteria which potentially inhibit <i>escherichia coli</i> and <i>staphylococcus aureus</i> .
	Aulia Nurmalita	The change of psychiatric status on substance abuse social rehabilitation participants in indonesian prisons
	Anisah Zaky Farras Amalia	Substance use of prospective social rehabilitation participants in indonesian correctional settings
